

MICOTOSSINE
Standard di Riferimento

Standard di Riferimento con Certificato di Analisi in accordo con ISO Guide 34

Standard Altamente Puri di Micotossine a
a differenti livelli di concentrazione

- **Disponibilità Costante** - quantitativi in BULK sono disponibili a richiesta.
- **Personalizzazione** - miscele di standard per applicazioni in MS e Standard Speciali (Custom).
- **Possibilità di Scelta** - Calibratori in forma Cristallina e/o Liquida.
- **Supporto tecnico** - affiancamento costante per assistenza al cliente.
- **Campioni a Titolo Noto (CRM e RM)** - disponibili su richiesta.
